"Teachers"

A Parody (with our heartfelt apologies to Sting whom we adore!)

In the Barbillon lecture hall
There's a growing feeling of hysteria
Conditioned to respond to a feat
All the tests were corrected by Mr. Nikolovski
Mr. Reydet said, "Work is good for you!"
I don't subscribe to this point of view
It would be such an ignorant thing to do
If the teachers love their students too

How can I get a better mark
If I cannot do what the teacher likes ?
There's no monopoly of intelligence
On either side of the learning fence
We share the same biology, regardless of ideology
Believe me when I say to you
I hope the teachers love their students too

For us there is no precedent
Listen to the words of the CPPG President
"There's no such thing as an *easy* grade"
It's a thing we don't believe anymore
Mr. Ladet says, "Work is good for you!"
I don't subscribe to this point of view
Believe me when I say to you
I hope the teachers love their students too

We share the same biology, regardless of ideology
Believe me when I say to you
I hope the teachers love their students too
